

PHOTO ID LAW REQUIREMENTS FOR VOTING

Beginning January 1, 2013, you will be asked to show one of the following Photo IDs at your polling place:

S.C. Driver's License

ID Card issued by S.C. Department of Motor Vehicles

S.C. Voter Registration Card with Photo

Federal Military ID

U.S. Passport

HOW TO GET A PHOTO ID:

If you do not currently have one of the Photo IDs above, you can make your voting experience as fast and easy as possible by getting one free of charge:

Get a voter registration card with a photo from your county voter registration and elections office by simply providing your date of birth and the last four digits of your Social Security Number.

Get a DMV ID card at a local DMV office. Check with DMV or www.scdmvonline.com for required documents.

IF YOU DO NOT HAVE PHOTO ID ON ELECTION DAY:

If you have a reasonable impediment to obtaining Photo ID, you may vote a provisional ballot after showing your non-photo voter registration card. A reasonable impediment is any valid reason, beyond your control, which created an obstacle to obtaining Photo ID.

If you do NOT have Photo ID and do NOT have a reasonable impediment to obtaining one, you may still vote a provisional ballot. However, for your vote to be counted, you must provide one of the Photo IDs to the county election commission prior to certification of the election (usually Thursday or Friday after the election).

To vote under the reasonable, impediment exception:

Present your current, non-photo voter registration card at the polling place.

Sign an affidavit stating why you could not obtain a Photo ID.

Cast a provisional ballot that will be counted unless the county election commission has reason to believe your affidavit is false.
