

### Questions and Answers for Feasibility Analysis RFP # 2022-03

- 1) The RFP specifically requires “Samples of two similar completed projects and a summary of their implementation.”
  - a. Is this a request to include examples of past deliverables/reports? Or simply a request to include a minimum of two descriptions of past projects and their outcomes/implementation? **Yes, please include example.**
  - b.
- 2) Does the County have a specific budget allocated for this project, so that we can tailor our response accordingly? **We do have budget constraints, but we are not releasing the specific budget.**
- 3) Does the County have an established budget for the performance of the feasibility study? **We do have budget constraints, but we are not releasing the specific budget.**
