*****IMPORTANT INFORMATION*****

If you file an appeal, the taxes must be paid by the original due date printed on the bill to avoid any penalties. State Law (SC Code 12-45-180) requires that penalties and interest be applied and cannot be waived. If a change is made that reduces the bill, a refund will be processed.

I understand that this appeal will have one of three outcomes. 1) The value/assessment may decrease, 2) the value/assessment may stay the same, and 3) the value/assessment may increase. If a decrease occurs, it will not be retroactive to include prior years. If the appeal reveals property that has escaped taxation in previous years, those items will be added to the appraisal accordingly.
