This map displays the geographical layout of Cherokee County, South Carolina, with a focus on its political divisions. The county is divided into numerous precincts, each labeled with a name (e.g., "Hickory Hill", "Rocky Mount", "Chestnut Grove"). These precincts are grouped into two primary districts for the 2020 House election: District 029, shaded in light orange, and District 030, shaded in light blue. The map also shows a network of roads, with major routes highlighted in black. A legend in the bottom-left corner provides a key for the symbols and colors used: a black line for roads, an orange outline for precincts, a light orange box for District 029, and a light blue box for District 030. The map's boundary is defined by a thick orange line.
