

CHEROKEE COUNTY COUNCIL

Gaffney, South Carolina

Proclamation

WHEREAS, the week of April 09 thru April 15, 2023, is National Telecommunications Week; and

WHEREAS, this is a significantly important week for Cherokee County to show appreciation to the staff of Cherokee County E-911. These men and women of 911 are the lifeline to all first responders in Cherokee County; and

WHEREAS, dispatchers connect the anxious conversations of terrified victims, angry informants and suicidal citizens. They are the calming influence of all of them – the quiet, competent voices in the night that provide the pillars for the bridge of sanity and safety; and

WHEREAS, dispatchers are expected to gather information from highly agitated people who can't remember their name, where they live, or what they just saw; and yet, 911 Dispatchers calmly provide all the information to the correct responder without error the first time and every time.

NOW THEREFORE, Cherokee County Council would like to thank each man and woman who have answered the call to be a telecommunicator for Cherokee County. You are truly greatly appreciated by County Council, County Administration and all the citizens of Cherokee County.

In witness whereof I have hereunto set my hand and caused this seal to be affixed.
