

CHEROKEE COUNTY BOARD OF VOTER REGISTRATION & ELECTIONS

2023 General Public Testing of Scanner & Voting System Preparation

According to SC Code of Laws 7-13-1390 (c), the DS200s and DS450 (if applicable) must be tested to ensure the scanners are counting accurately before use in an election.

Demonstration for observers will show that the ballot-marking devices and scanners are in proper condition for use in the election. Observers may also remain (or return on subsequent days) to observe the ballot-marking devices and scanners being sealed for the election.
