REQUEST FOR PROPOSAL 2026-11

Equipment Garage – Pole Barn Style Building – Emergency Management Department

The first page of the RFP document states the mandatory pre-bid meeting will be Tuesday, October 1<sup>st</sup>, 2025 at 10:00am.

“Tuesday” was incorrect and should be Wednesday, October 1<sup>st</sup>, 2025 at 10:00am. It is October 1<sup>st</sup> through the rest of the document, but we just wanted to clarify this.
