

INTRODUCTION and INTENT of RFQ:

Notice to Vendors

Sealed proposals will be received by Cherokee County from **commercial** general contractors only that are experienced and qualified in the presented scope of work:

REQUEST FOR QUALIFICATIONS 2026-25 HVAC & Electrical Design for Cherokee County Emergency Operations Building

Proposals will be accepted until **April 30th, 2026 at 12:00 PM** at the Administration Office in the Cherokee County Administration Building, 110 Railroad Avenue, 2nd Floor, Gaffney, South Carolina 29340. Complete specifications and instructions are attached herewith.

Cherokee County, South Carolina is issuing a **Request for Qualifications (RFQ)** to solicit qualified design firms to provide professional engineering and design services for upgrades to the County's Emergency Operations Center (EOC).

The facility, a former school building, is currently being upfitted to serve as a fully functional Emergency Operations Center to support countywide emergency management operations. As part of this effort, Cherokee County seeks to engage a qualified firm to develop **complete design drawings and technical specifications** for the installation and upgrade of **electrical and HVAC systems** throughout the portions of the facility that have not yet been renovated.
