

Addendum No. 2
RFP 2026-23
Metal Building Shell & Installation at the EOC

Date: 04/28/26

“This Addendum No. 2 is issued to formally notify all interested parties that RFP 2026-23 for the Metal Building Shell & Installation at the EOC Project has been canceled in its entirety. Bids were received, publicly opened, and thoroughly reviewed. Following evaluation, it was determined to be in the County’s best interest to pursue a different approach for this project at this time. Cherokee County appreciates the time and effort invested by all respondents. At this time, no further action is required, and no award will be made under this solicitation. Should the project be reissued at a later date, appropriate notification will be provided.”
