

Q&A for RFP #2027-05 Cherokee County Hazard Mitigation Plan Update

1. Q: Does the county have a preference between in-person or virtual meetings?
A: We prefer in person but understand a short virtual meeting would be necessary on occasion.
2. Q: Does the county have a budget range in mind for the project?
A: The approved total project cost is \$73,500
3. Q: The 2022 plan included Cherokee County, the City of Gaffney and the Town of Blacksburg as participating jurisdictions. Item 2 in the special provisions notes “other participating jurisdictions” - does the county anticipate adding additional participating jurisdictions to this plan? Does the county know which jurisdictions could be added, or how many?
A: City of Gaffney, Town of Blacksburg, possibly City of Chesnee, all 13 fire departments, Gaffney Board of Public Works, Broad River Electric, Draytonville Water, Goucher Water, Grassy Pond Water, Cherokee County School District, Spartanburg Community College
4. Q: Does the County anticipate any additional jurisdictions participating?
A: City of Gaffney, Town of Blacksburg, possibly City of Chesnee, all 13 fire departments, Gaffney Board of Public Works, Broad River Electric, Draytonville Water, Goucher Water, Grassy Pond Water, Cherokee County School District, Spartanburg Community College
