

WHAT GOES IN YOUR COUNTY TRASH CART?

Thank you for helping keep Cherokee County clean, safe and beautiful!

YES!

PUT IT IN THE CART

Your County curbside trash cart is for **normal, everyday household garbage.**

Bagged household garbage

Food and kitchen waste

Non-recyclable household packaging

Paper and similar household trash

Small disposable household items

Other normal household garbage that fits safely inside your cart

KEEP IT IN THE CART!

All waste must be inside the cart and the lid closed.

Please bag household garbage when needed to prevent spills, loose trash, odors or unsafe conditions.

NO!

KEEP IT OUT OF THE CART

These items are **NOT** part of regular residential curbside collection.

Furniture, mattresses & other bulky items

Hot ashes, burning materials & fireworks

Appliances

Batteries requiring special disposal

Construction or remodeling debris

Medical waste & exposed needles/sharps

Lumber, drywall, shingles, flooring, concrete & brick

Tree limbs, brush, logs & stumps

Tires & automotive parts

Yard or land-clearing debris

Motor oil, fuel, antifreeze & automotive fluids

Dead animals

Paint, solvents, pesticides & hazardous chemicals

Move-out, eviction & whole-house cleanout waste

Propane or compressed-gas cylinders

Business, commercial, nonprofit or organizational waste

Anything too heavy or unsafe for employees to handle

YOUR SAFETY. OUR PRIORITY.

Cherokee County employees physically handle your roll cart during collection. Overloaded carts, sharp objects, hazardous materials and improperly prepared waste can injure employees or damage equipment.

NOT ACCEPTED CURBSIDE ≠ NO DISPOSAL OPTION

Some items that cannot go in your residential trash cart may be accepted at the Cherokee County Landfill, a Cherokee County Recycling location, or another designated facility.

For locations, hours, fees, & acceptable items visit cherokeecountysc.gov and choose the Public Works tab under Government Services.
